

THALASSEMIA BLOOD DONATION CAMP AT USMS BHITSHAH

Thalassemia Blood Donation Camp was organized today at the University of Sufism and Modern Sciences (USMS), Bhitshah, to support children battling Thalassemia. The initiative aimed to raise awareness and encourage blood donations to help those in need.

The event was inaugurated by Prof. Dr. Arabella Bhutto, Vice Chancellor of USMS, along with Dr. Sadiq Ali Siyal, Head of Thalassemia Nawabshah, Mr. Ghulam Nabi Channa, Manager of Thalassemia Patient Welfare Society, and Mr. Agha Rashid, Prevention Manager of Thalassemia welfare Society Nawabshah. Faculty members, staff, and students actively participated in the camp, demonstrating their commitment to this noble cause.

The university remains dedicated to organizing such humanitarian initiatives, reinforcing its commitment to social responsibility and community welfare.
