

NAQVI & SIDDIQUI CONSULTANTS VISIT TO USMS

Engr. Faheem Ahmed Soomro, Director Works & Services USMS, along with Engr. Mirza Muhammad Hanif (Senior Engineer) and Engr. Muhammad Yousuf (Senior Structural Engineer) from Naqvi & Siddiqui Consultants, visited the University of Sufism and Modern Sciences, Bhitshah on November 20, 2025.

The team inspected the ongoing development works and highly appreciated the quality, progress, and overall improvements of the project. Their encouraging remarks and professional feedback are truly valuable for us.

Engr. Faheem Ahmed Soomro acknowledged that these achievements were made possible through the continued support of our worthy Vice Chancellor, Prof. Dr. Arabella Bhutto, and the dedicated hard work of the entire project team.
