

Diving into Power App Canvas App

On February 15, 2024, the ORIC-organized seminar at the University of Sufism and Modern Sciences in Bhitshah showcased Mr. Aslam Memon as the keynote speaker, offering valuable perspectives on the intersection of technology and community development. Prof. Dr. Parveen Munshi, the esteemed Vice Chancellor, urged female students to overcome barriers in the tech industry, fostering a spirit of empowerment. The event served as a catalyst for passion and collaboration, igniting innovation among attendees.
